his pretended titles to any Court, nor to the public; and he dose
not afford the undersigned an opportunity of commencing any
suit against him in order to test these titles. Charles Goodyear
could not give any valid titles to said Judson, nor to any one eise,
after the titles he had conveyed to the undersigned. The question
decided by Judge Ingersol, in New-York, upon a prolimitary
motion and partial, presentation of the case, was not decisive of
the merits of the title of the undersigned, and the card published
by said Judson shows that the Gourt was imposed upon by a pretended title in a third party which said Judson now claims to have
been in himself for the last six years.

The undersigned, therefore, cantions all
